Dear Ed:

We are pleased that you will be able to meet with us on your forthcoming trip to Washington. A number of people have already indicated a desire to hear your presentation, although I now think my guess of 25 may prove to be somewhat high.

In accordance with our phone conversation, arrangements are being made for the morning of May 27th. I have suggested beginning at 0930 hours. Afterwards, you, Max, and I could get together for lunch and conversation on some other topics. If these arrangements should turn out to be inconvenient in any way, please let me know.

We are looking forward to seeing you. Should the need arise for getting in touch after hours, my home phone is (703) 938-8998.

Sincerely,
